OUR VISION

“ Transformation Through Education ”

We believe education is not just about degrees — it's about transforming lives. Our vision is to build a generation that is intellectually strong, morally upright, and globally competitive.

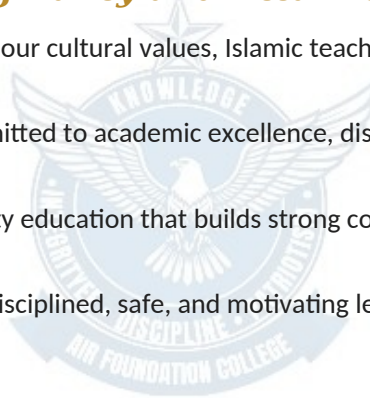

We aim to create leaders, thinkers, and problem-solvers who will shape a better Pakistan and contribute positively to the world.

Through modern teaching methods, character building, and academic excellence, we transform students into responsible citizens of tomorrow.

OUR MISSION

“ Retain the Originality and Attain the Perfection ”

- 1. Retain the Originality:** We preserve our cultural values, Islamic teachings, and national identity while embracing modern knowledge.
- 2. Attain the Perfection:** We are committed to academic excellence, discipline, and continuous improvement in teaching and learning.
- 3. Quality Education:** To provide quality education that builds strong concepts, critical thinking, and practical skills.
- 4. Positive Environment:** To create a disciplined, safe, and motivating learning environment for every student.

MESSAGE FROM LEADERSHIP

MANAGING DIRECTOR

Major Sajid Kiyani (Retd.)

“ Education is the most powerful tool for national progress. ”

In today's rapidly changing world, our aim is to equip the new generation with knowledge, skills, and character. We must prepare our students not just for exams, but for life — for technology, innovation, leadership, and service.

PRINCIPAL

Mrs. Nabila Sajid

“ Educate the Generation to Serve the Nation ”

Our purpose is to educate young minds with knowledge, ethics, and a strong sense of responsibility. We must understand our obligation — to serve our country, our families, and humanity.

At Air Foundation College, we are committed to producing graduates who can compete globally while staying rooted in their values.

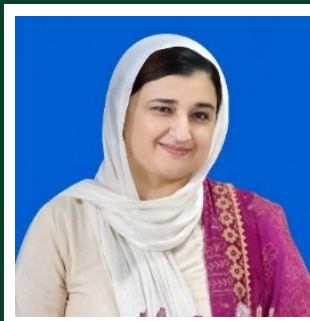

VICE PRINCIPAL

Mrs. Bushra Abid

“ Nurturing Islamic Values for a Better Society ”

Our goal is to instill Islamic values and ethical principles in our students. We focus on educating children with truth, understanding, and a strong awareness of Islamic teachings in society.

We focus on building confident, disciplined, and patriotic students who will become the pride of Pakistan, Insha'Allah.

DIRECTOR RESEARCH & DEVELOPMENT

Dr. Amir Rafique Kiyani

“ Education and Development for the 21st Century ”

The 21st century demands innovation, adaptability, and research-driven learning. Our focus is on developing academic programs that align with global standards and future industry needs.

We are committed to research, skill development, and preparing students to become leaders in a fast-evolving world.

DIRECTOR ACADEMICS (Senior CSP Officer)

Mr. Shahid Rafique Kiyani

“ Building Skills for Professional Excellence ”

Education today must go beyond textbooks. Our academic strategy focuses on concept clarity, professional skills, and career readiness.

We are dedicated to creating a learning environment that prepares students to meet modern educational requirements with confidence and competence.

HEAD OF CAMPUS

Mr. Muhammad Usman

“ Educate the Nation with Strong Determination ”

Success without discipline is impossible. Our mission is to instill determination, hard work, and punctuality in every student.

We believe in “Retaining the Originality and Attaining the Perfection” — combining traditional values with modern academic standards. Together, let's build a future where our students lead with knowledge and character.
